The conference will also have seminars on grass-roots lobbying; company branding and marketing; product pricing dynamics; how to protect your shop from litigation; and the 2009 IGA legislative agenda.

Those who wish to attend may register at www.iga.org/independentsdays.php. The trade show floor will be open May 13 and 14 for auto glass suppliers to meet with attendees. The LYNX tour is included in the pre-registration attendee fee. (Note: Those who wish to participate in the tour must pre-register. No on-site registrants will be able to participate in the tour.) Exhibit space is limited but still available through the IGA.

The IGA is the only association dedicated to the needs of the independent glass companies in North America. Its members are also dedicated to the professional and ethical installation of glass in a safe and proper manner. IGA members are located in all 50 states and ten countries.
