Another Day May Be Too Late *Register Today for AGTO*

Registration for the Fifth Annual Auto Glass Technician Olympics (AGTO) closes in 3 weeks! Don't wait much longer to register to compete because the deadline—September 25—is approaching quickly. This is your chance to be named the Best Auto Glass Technician in the World™.

AGTO returns to Mandalay Bay Convention Center in Las Vegas, November 6-7, as part of Auto Glass Week @ NACE. It is sponsored by **AGRR** magazine. The competition takes place all day on Friday, November 6, with the finals scheduled for Saturday, November 7. AGTO is open to anyone who is eligible.

Eligible participants must work in a genuine operating auto glass company, have one year experience in the industry and follow the AGRSS Standard 002-2002.

For the fifth year in a row, this event will take the best technicians from local and international competitions and give them an opportunity to showcase their skills to each other as well as industry leaders. In addition to entry in the competition, competitors receive networking opportunities with fellow technicians and manufacturers, admission to the cocktail party after the AGTO preliminary heats finish up on Friday, November 6, and admission to the NACE trade show.

The champion and the company he or she represents will receive extensive media coverage; use of the AGTO winner logo on stationary, business cards and advertising for one year; and a full-page ad and coverage in **AGRR** magazine.

It's not too late to be part of the premier auto glass competition in Las Vegas!
