

PILKINGTON CLASSIC

PRESS RELEASE

Registration for the Fifth Annual Pilkington Classic AGTO Closes Friday, September 25

Time is running out to register to compete for the Fifth Annual Pilkington Auto Glass Technician Olympics (AGTO). The deadline is almost here—Friday, September 25, at 5 p.m. EST.

For the fifth year in a row, this event will take the best technicians from local and international competitions and give them an opportunity to showcase their skills to each other as well as industry leaders. In addition to entry in the competition, competitors receive networking opportunities with fellow technicians and manufacturers, admission to the cocktail party after the Pilkington Classic preliminary heats on Friday, November 6, and admission to the NACE trade show.

“The Pilkington Classic is so much more than a competition,” says Debra Levy, publisher of **AGRR** magazine. “If the excitement of a chance to network and learn something new from fellow technicians doesn’t get you energized, maybe the thrill of bragging rights will. I guarantee this is an event you don’t want to miss.”

The champion receives a cash prize and the title of Best Auto Glass Technician in the World™. In addition, the winner and the company he or she represents will receive extensive media coverage; use of the Pilkington Classic AGTO winner logo on stationary, business cards and advertising for one year and a full-page ad and coverage in **AGRR** magazine.

It’s not too late to vie for this year’s top honor.
