Delta Kits officially launches a new windshield repair forum layout

Eugene, Oregon--Delta Kits Inc., a premier supplier of windshield repair products has launched a new layout to their windshield repair forum. The new forum will officially go live on Monday November 3rd, 2008, and can be viewed at www.windshield-repair-forum.com. The Delta Kits windshield repair forum has become the most popular site of its kind in the world, averaging over 700 posts per month.

Boasting a new vibrant image, the forum contains nearly 4,000 topics covering all aspects of the automotive glass industry as well as headlight restorations. In addition, the forum has a new *user interface* feature to keep users up-to-date with the latest industry developments. Korey Gobin, Account Executive of Delta Kits Inc., comments. "It is invigorating to view the wealth of information shared. The most exciting thing about the forum is the contribution of unique perspectives from windshield repair companies and technicians across the world."
