Delta Kits, Inc. Contest Asks What's Wrong with This Picture

Each month a new winner will be drawn to receive a \$50 gift certificate and be entered in the year end grand prize drawing for a chance to win a complete windshield repair system.

Eugene, OR July 2, 2009 - Delta Kits is announcing its monthly *What's Wrong with This Picture* contest aimed at promoting the best practices in the windshield repair industry. The premise of the contest is easy: name two things wrong with the picture and you will be entered into a monthly drawing. Finalists will be eligible to win a complete windshield repair system. "At Delta Kits we promote quality repairs in the windshield repair industry. So we've turned that premise into a contest and a call-to-action," said Korey Gobin, Account Executive, Delta Kits, Inc. No purchase is necessary to participate and the contest is void where prohibited.
