

Delta Kits Recaps 25th Anniversary

Eugene, OR. — January 7, 2010 — Despite a failing economy the windshield repair industry held strong in 2009, and Delta Kits celebrated the close of its 25th anniversary as a with record sales and several other company records.

Delta Kits Sales Records:

- April 2009 - Best month in company history.
- Quarter 3, 2009 - Best quarter in company history.
- 2009 – Best year in company history. Over 30% sales increase over 2008.

With a focus on raising the bar for quality workmanship in the windshield repair industry Delta Kits held more certification classes than any previous year. Over 100 windshield repair technicians were trained and certified by Delta Kits in 2009. The company will be holding its first training and certification class of 2010 in Clearwater Florida on January 17th.

Charitable giving is a long standing tradition at Delta Kits, and in 2009 the company donated over \$43,000 to charities, much of which was used to drill water wells and provide clean, safe water to people living in 3rd world countries.

Delta Kits introduced a number of new products in 2009. Here are a few of the most popular.
