<<Press Release>>

Guardian names IGC as exclusive RV glass distributor in California!

Guardian Industries selects the best in the west as their exclusive Bus and RV Glass distributor in California. IGC now stocks a full line of OEM motor home glass for immediate delivery throughout California, parts of Nevada and Southern Arizona. IGC's RV Glass division will be based out of their San Bernardino, Ca location and headed by Mr. Mark Wheeler making IGC the only full line glass distributor in California with RV glass in stock. Visit our website for ordering info or feel free to give us a call. We look forward to expanding our customer's profitability with these new products and pledge our dedication to our customers in helping them grow their business through a strong partnership with IGC.
