

Mainstreet Presents Web Marketing at Pilkington Seminar

Mark Haeck, Sales Manager from Mainstreet Computers Inc. in Belleville, MI., will appear as a guest speaker at the Pilkington Seminar held at Pilkington Kent Service Center in Kent, WA, September 18, 2008.

Mainstreet will highlight key elements of marketing in today's business culture and the critical impact it has for success. In addition to the recently launched Glas-Avenue 8.0 software system containing over 130 new features, Mainstreet also provides web services to help companies expand their business.

Mainstreet Web Services maximizes technology to offer professionally designed and managed web sites, hosted through Mainstreet Computers, Inc. A team of highly skilled web designers and programmers optimize sites to secure top rankings in the major search engines. When high competition forces businesses to step up their e-marketing strategies, Mainstreet's web team offers paid ads and sponsored links as an option. Continuous web support is provided for general maintenance and updates.
