## NOVUS Glass Arrives in El Paso and Teller Counties

Colorado Springs, Colorado June 25, 2008

NOVUS Glass, known around the world as the windshield repair experts, recently opened its newest location in Colorado Springs, Colorado. The company brings to the region top-quality customer service and nationwide guaranteed windshield repair and replacement. New NOVUS franchise owners Dean LaChance and Bill Gohl are proud to be serving their community by providing quality glass service.

"The windshield is an important part of the vehicle for visibility and safety. At NOVUS, we perform every job with our customers' safety in mind. We are excited about the opportunity to provide our community with permanent solutions for their glass service needs", say owners Dean and Bill.

Believing in hometown service, and having managed successful multi-million dollar businesses in Colorado Springs for the past several years, Dean and Bill are dedicated to their community, support local businesses, and are looking forward to continue building strong relationships in the area.

"Becoming members of the NOVUS organization was a perfect fit. We enjoy 'hands-on' work, helping people, and most importantly, we stand by NOVUS' strong philosophy of providing quality products and outstanding customer service, the first time and every time!"

NOVUS invented windshield repair in 1972 and continues to remain the industry leader in research and development. NOVUS has performed over 25 million quality repairs since 1972 with a customer satisfaction index exceeding 99 percent. The company's repair service restores the strength and clarity to the glass and prevents further spread of damage. NOVUS services are guaranteed by NOVUS for as long as the customer owns their vehicle.

NOVUS Glass of Colorado Springs serves both El Paso and Teller Counties: hours of operation are 8 AM- 5 PM M-F, Saturdays and evenings by appointment.
