

To our Valued Auto Glass Customers:

We at ACI Distribution will increase prices for all auto glass parts by 3.5%, effective October 9<sup>th</sup>.

Costs continue to rise at all levels, including new product acquisition costs from manufacturers in the form of per unit freight charges. This combined with escalating operating costs necessitate this increase.

At ACI, we will continue to manage and reduce costs wherever possible, and we are committed to remaining competitive at all levels. We will continue to do our very best to earn your business.

Thank you for your support.

Sincerely,

Jim Gentry
