

July 31, 2009

To all AGRSS Registered Shops,

AGRSS Standards Committee Members and AGRSS Supporters:

Auto Glass Week is right around the corner, and that means the 3rd annual AGRSS Charity Silent Auction. The auction will be held Wednesday, November 4, 2009 at the Welcome Cocktail Party during the annual International Auto Glass Safety (AGRSS) Conference.

AGRSS is soliciting donations for the auction. We ask that you dig deep and support the auction with a donation of an item or a cash donation. The cash will be used to purchase an item for the auction. "You supply the Cash, we do all the work and you get the Credit", what a deal! Auction items can include any kind of non-glass donation. Suggestions are cameras, watches, I-Pods, sporting event tickets and sports equipment or any item that will have people in a bidding war.

The Board of Directors wants to take this time to invite all of you to the Conference and the Auction. Not only will you reap the reward of a valuable experience for your business, you will make new friends and have a very memorable time at the auction. Please keep in mind that all proceeds from the auction help increase the awareness of safe auto glass installations.

I am enclosing a donation form for your convenience. All donations are tax deductible. Thanking each of you in advance for your generous donation. You are the ones who are responsible for the success of AGRSS.

Thanks,

Jean and Mark
