

# Amica Mutual Selects Gerber National Glass Services as In Program Auto Glass Administrator

Skokie, Illinois October \_\_ -- Amica Mutual Insurance Company, based in Lincoln, Rhode Island, has selected Gerber National Glass Services (GNGS), a subsidiary of The Boyd Group Inc. to provide glass claims management solutions for their customers.

"We are excited to have been selected by Amica to service their customers," said Eddie Cheskis, Chief Executive Officer of Gerber National Glass Services. "We are proud to have been chosen by a company that J.D. Powers has ranked the "Highest in Customer Satisfaction Among National Auto Insurers", eight years in a row. Sharing the same principles of integrity, value, and personal service, we expect to complement Amica's excellent reputation."

Under this new agreement, GNGS will act as the administrator for claims in Amica's Glass Program; providing quality auto glass repair and replacement services from its long established group of quality member businesses.

"We expect Gerber's glass claims management program to continue to provide the superior service our customers have come to expect," said Sean Welch, Assistant Vice President for Amica. "We are pleased to work with an organization that shares our core values."
