AUTO ONE STARS GO TO THE RACES  
Auto One Honors Exemplary Employees

Brighton, MI – June 18, 2008 - For the sixth consecutive year, Auto One has recognized employees with an all expense paid weekend at Michigan International Speedway for the Father's Day NASCAR Lifelock 400.

Four stores competed for this year's competition; Auto One of Fenton, Brighton, Wixom and Howell. For managers and CSRs, the criteria for this year's competition was the highest average six month score on mystery shopping done by the IGA approved CSR training program. From the technical side, the criteria was based on attendance and work quality. Out of 10 CSRs and managers participating, Jennifer DeWolf, manager from Brighton, won with an average score of 118 out of a maximum of 140 on seven mystery shops. On the technical side, Troy Culbertson, also from Brighton, was selected.

Jennifer DeWulf has been with Auto One for 10 years. Starting her career as a customer service representative, Jennifer is currently the store manager at Auto One Brighton and one of the driving forces behind the success of Auto One. Jennifer and her husband are residents of Howell, Michigan, and active members of their community.

Expert installer Troy Culbertson has been with Auto One for five years. Troy's experience and leadership can be seen throughout the shop as he is equally adept at glass repair/replacement, 12-volt installation and vehicle detailing. Troy and his family are residents of Howell, Michigan.
