

CCC-MITCHELL MUTUALLY AGREE TO TERMINATE MERGER

CHICAGO and SAN DIEGO, March 11, 2009 – CCC Information Services Inc., of Chicago, and Mitchell International, Inc., of San Diego, announced today that they will no longer pursue the merger of the two companies.

“In light of the court's decision, we have jointly decided to terminate the merger. A year ago when we announced the transaction, our stated objective was to deliver greater innovation to our customers and partners. This theme has remained a constant and will continue to be at the forefront of our efforts,” stated Githesh Ramamurthy, Chairman and CEO of CCC. “Serving our customers has always been our primary focus. We have reached the point in the regulatory process in which our customers, employees and shareholders are best served by continuing as independent companies,” stated Alex Sun, President and CEO of Mitchell International.

About CCC Information Services Inc.

CCC, founded in 1980, is a leading provider of advanced software, communications systems, and Internet and wireless enabled technology to the automotive claims and collision repair industries. Its client base includes more than 350 insurance companies and thousands of repair facilities. In addition to its products, CCC delivers extensive industry insight to its clients by leveraging the industry's most comprehensive auto claims data warehouse comprising data captured from the millions of transactions processed through its network, complemented by information from more than 30 other data providers.
