Mason Joins Dow Automotive Aftermarket

Auburn Hills, Mich., Dec. 5, 2008 – Scott Mason recently joined Dow Automotive’s aftermarket business as Senior Account Executive. He is responsible for managing relationships with key installer and distribution customers throughout North America.

Mason joined Dow Automotive in 1994 and has held supply chain and customer service positions where he was responsible for product management for North American tier customers. Since 2006 he has led the Dow Automotive customer service team in Auburn Hills.

Mason holds a bachelor’s degree in marketing from Central Michigan University. He is certified in production and inventory management by the Association for Operations Management and is Six Sigma Green Belt certified.

About Dow Automotive

Dow Automotive is a leading global provider of technology-driven solutions that meet consumer demand for vehicles that are safer, stronger, quieter, lighter, cleaner, comfortable and stylish. The organization provides plastics, adhesives, sealers, glass bonding systems, emissions control technology, films, fluids and structural enhancement and acoustical management solutions to OEM, tier and aftermarket customers around the world. For additional information about Dow Automotive products, services, and application development centers, visit www.dowautomotiveaftermarket.com.
