GLASWELD BRINGS GLASS REPAIR TO DWYER GROUP ANNUAL REUNION

23 June 2009 – Las Vegas, NV - GlasWeld, a complete solutions provider for the [glass repair](#) industry, will participate in the Dwyer Group Annual Reunion event at Caesar’s Palace in Las Vegas June 28 -30. GlasWeld, the official glass repair and restoration provider for the Dwyer Group’s Glass Doctor franchise, has developed an entire line of custom-branded, proprietary repair solutions.

“For the fourth year in a row, GlasWeld is the only company allowed to use the Glass Doctor brand in providing custom designed, private label glass repair solutions to franchises nationwide,” said Mike Boyle, president of GlasWeld.

GlasWeld will display Glass Doctor-specific products at its booth during the show, including: the Rxforce Scratch Removal System; the Rx3fusion Auto Glass Repair System; the new Rx2fusion Auto Glass Repair System, which uses slightly different windshield repair technology than flagship Rx3fusion System; and its Rxshield Glass Coating product. In addition, staff will be on hand to discuss new repair quality testing programs and distance learning programs with Glass Doctor store owners.

Glass Mechanix, which is managed by GlasWeld, will also display a new Glass Doctor solution for Insulated Glass Repair, to remove cloudy damage from the interior of two glass panes.

About GlasWeld

Based in Bend, Oregon, GlasWeld provides complete glass repair solutions—from revolutionary equipment to unparalleled training programs and technical support—for both flat glass and auto glass. GlasWeld’s product lines have been developed based on decades of industry research, development and customer feedback. Because glass repair is intrinsically sustainable, GlasWeld has integrated creative, tangible environmental initiatives into its daily operations, including ongoing education for the greater glass industry.
