## Atlanta Franchise Wins Top National Award

**NORCROSS, Ga. (July 9, 2007)** – Jim Bernstein, owner of the Glass Doctor® of Atlanta franchise, received the *Glass Doctor* Franchise of the Year Award during the company's 2007 annual conference in Atlanta, Ga., June 25-27.

The 2006 Franchisee of the Year Award is presented to the franchisee who has consistently grown his or her business through the *Glass Doctor* training system and has achieved a consistently high level of success through quality and professional service.

“This is the highest honor given to a *Glass Doctor* franchisee. Jim and his wife, Jeri, set a high standard for the franchise, and we are extremely proud of their achievements,” said Mark Dawson, president of *Glass Doctor*. “*Glass Doctor* of Atlanta represents the best of the *Glass Doctor* brand on a national level. The Bernsteins are a shining example to our other franchisees of leadership and continuous improvement.”

Located at 1550 Beaver Ruin Road in Norcross, *Glass Doctor* of Atlanta has offered full glass services for auto, home and business since 1982. Jim Bernstein purchased the existing franchise in 1999.

“It’s rewarding and humbling to be honored with the Franchise of the Year award,” said Jim Bernstein, who also was selected by his peers to serve on the 2007 *Glass Doctor* Leadership Council. “We’re proud to be *Glass Doctor* franchisees, but we’re especially proud to have such a wonderful team of glaziers and inside sales representatives to make this possible by serving our customers so well.”

*Glass Doctor* of Atlanta’s 12 service technicians can handle all glass services needs for auto, home and business, including windshield replacement, custom shower door installation, and storefront repair. *Glass Doctor* of Atlanta offers 24-hour emergency service and mobile glass repair and replacement, just two reasons why it has received the Atlanta Consumer’s Choice Award seven years in a row.
