## **Guardian Auto Glass celebrates Denver area Grand Opening**

For Immediate Release – September 7, 2011 -- On July 25, Guardian Auto Glass celebrated the Grand Opening of its new location in Arvada, Colorado, in the Denver area. The ribbon cutting attracted more than 60 people, including business ambassadors from the Arvada Chamber of Commerce, customers, friends and family members.

The new store provides automobile glass repair and replacement services and was formed using the local ownership/management model which Guardian Auto Glass LLC uses as it expands its footprint into new regions across the country. In addition to the Denver location, since January, Guardian Auto Glass has opened locations in Tucson, Phoenix, Southern California, Atlanta and Pittsburgh.

The Guardian Auto Glass team -- joined by Arvada Chamber of Commerce members, customers, friends and family for the Grand Opening celebration. The new store is located at 7350 W. 88th Avenue, Unit T, Arvada, CO 80021, 303-422-0600.

The Arvada management team -- Joe Brown, Leslie Kois, Lisa Lovatto, Rodney Schroth and Sabra Taylor – were thrilled with the turnout and the support they have received from the community.

“We look forward to providing first-class automotive glass service to the businesses and residents of Arvada and the surrounding communities,” said Jerry Ray, vice president of Guardian Auto Glass. “The Denver team, like those at our other new locations across the country, are really stepping up to position Guardian Auto Glass as the premier automotive glass service provider in the communities we serve.”
