DAVID STAGNER JOINS HSG | CODEBLUE™ AS EXECUTIVE VP OF SALES

Addition of experienced insurance industry professional brings wealth of knowledge to leading-edge claims management solutions team

Eau Claire, WI – April 7, 2008 – HSG | CodeBlue™, the leader in the Property & Casualty claims management outsourcing industry, announced today that David Stagner joined the company as Executive Vice President, Sales. In this capacity, Mr. Stagner will oversee all strategic and business development initiatives related to acquiring and supporting Property & Casualty insurance clients.

Prior to joining HSG | CodeBlue™, Mr. Stagner spent 16 years at Safelite Group, Inc. in positions of increasing sales leadership responsibility, leading to a position as Vice President of National and Field Sales. Mr. Stagner most recently assisted Performance Claims in the development and execution of sales initiatives for its insurance technology solutions.

"I am very excited to join such and innovative company providing auto glass and property claims management solutions," said Mr. Stagner. "I truly believe our products and services are designed to create the most unique platform for our insurance partners, which will drive superior service while also controlling severity. I can't wait to move forward in delivering significant business alternatives to the insurance community for their auto and property claims solutions."

"David embodies the kind of culture we have created – one where innovation, creativity and a passion for exceeding our customer's expectations is a part of everything we do." said Paul Gross, President and CEO. "I look forward to leveraging his strengths to provide the very best solutions in the industry!"
