IGA Fall Conference Housing Block Set to End REDUCED RATE ENDS THIS WEEKEND

The IGA Fall Conference room block will close this weekend, Sunday, September 30. In order to access the association's reduced room rates, attendees must reserve their rooms by this weekend.

The first-ever Fall Conference will take place at the Mandalay Bay Convention Center in Las Vegas, November 2-3. For the third time the IGA will co-sponsor the [Auto Glass Technician Olympics](#), which will return to the [NACE show](#) floor for the second straight year.

IGA has secured discount pricing for those attending the annual conference at the [Plaza Hotel & Casino](#). An 11-minute ride from the Mandalay Bay Convention Center, the Plaza provides the best of Las Vegas for less. Call 800/634-6575 and mention you are attending the IGA Fall Conference to reserve your room at our discounted rate. (The discounted room rate ends September 30.)

Attendees also may stay at any of the NACE show hotels. These hotels are a bit closer to the Mandalay Bay Convention Center and a bit more costly. Call 800/221-3531 or visit www.naceexpo.com to reserve these rooms. When reserving a room in the NACE show housing block, attendees must mention the NACE show to receive the discounted rate.

During the conference IGA will formally announce its "Don't Get Steered" anti-steering program, complete with ad slicks, brochures and more. The association will also unveil its certification program and an innovative new service that will gain independents even more ammunition in their fight. The conference will cover topics from consumer choice legislation to Internet marketing and customer service representative (CSR) training.

To register or for a complete seminar list, attendees should visit www.iga.org. Pre-registration runs through October 12, 2007. Pre-registration for the conference, which includes the two-day event, cocktail party, entrance into the NACE show and both the Auto Glass Repair & Replacement Olympic competitions is only \$99 for IGA members and \$129 for non-IGA members.

The IGA is the only association dedicated to the needs of the independent glass companies in North America. Its members are also dedicated to the professional and ethical installation of glass in a safe and proper manner. IGA members are located in all 50 states and ten countries.
