**INDEPENDENT GLASS ASSOCIATION
ADVANCES AGRSS-REGISTRATION AGAIN**

In 2007, the Independent Glass Association (IGA) became the only organization to pay for its members to become AGRSS-registered during its Annual Conference and Spring Auto Glass Show™. Due to the popularity of the 2007 session and member benefit, IGA will extend the same promise to its members in 2008 during its Annual Conference and Spring Auto Glass Show™ to be held May 1-3 in Las Vegas at the Cashman Center.

IGA will pay the registration fee for members who attend the “AGRSS Validation Program” session on Friday, May 2, 2008, and who register with AGRSS for the first time by June 30, 2008.

“AGRSS registration is an important part of the safety equation,” said IGA president Dave Zoldowski of Auto One in Brighton, Mich. “We want to help our members learn about the process, how to handle the forms and how to become registered ... IGA’s payment of the registration fee shows this commitment is real.”

The IGA is the only association dedicated to the needs of the independent glass companies in North America. Its members are also dedicated to the professional and ethical installation of glass in a safe and proper manner. IGA members are located in all 50 states and ten countries.
