Only Four Booths Left at This Year's IGA Conference

This year's tradeshow floor is filling up fast, with only four booths left for the auto glass section of Americas' Glass Showcase™. Exhibitors are encouraged to sign up to insure a spot at this year's premiere Independent Glass Association.

For information on how to become an exhibitor please visit <http://www.glassexpos.com/igaexhibitor.php> or call exhibits manager Tina Czar and request one of the few remaining spaces at 540-720-5584 ext. 115.

The Independent Glass Association's (IGA) Independents' Days & Spring Auto Glass Show™ is the perfect venue to help build customer relations, both current and potential, and ensure that the "house" doesn't always win.

Co-located with the Americas Glass Association's Americas' Glass Showcase™, the IGA is bringing both the automotive and architectural industries together in one place to better refine your needs, and to strengthen your options and opportunities to achieve your business goals

For information on attending the IGA Conference please visit <http://www.glassexpos.com/igaattendee.php>
