METRO GLASS OMAHA Receives “Best of Omaha” 2010 Award

Quick Pitch – Metro Glass receives “Best of Omaha” recognition for the “Best Auto Glass” category.

Omaha, Nebraska. Metro Glass has been selected for the 2010 Best of Omaha Award in the “Best Auto Glass” category.

The USCA "Best of Local Business" Award Program recognizes outstanding local businesses throughout the country. Each year, the USCA identifies companies that they believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and community.

Metro Glass has agreed to adhere to the strict AGRSS standard, making it an elite shop listed on the exclusive AGRSS Website, www.safewindshields.com. Metro Glass is the only Independent glass shop in Omaha with this accreditation.

“Our goal is to make our customer’s safety our #1 priority-we just won’t compromise on the quality of our products and workmanship,” said Johanna Lutton, owner of Metro Glass. “The windshield is an integral part of the safety restraint system. 70% of your protection in a rollover accident comes from the integrity of your windshield-it keeps the roof from caving in, while the passenger side airbag is designed to deploy off of the windshield to cushion its impact to the passenger to keep occupants safe. It’s important to trust your Auto Glass Retailer.” stated Johanna Lutton.

Metro Glass is a family owned Independent glass shop servicing the Omaha Metro Area for over 25 years. “We are passionate about educating our consumer on the safety of windshield installation. We attribute our success to restoring vehicles to factory condition and exceptional customer service. It’s not something people look forward to doing (spending hard earned money to replace a windshield) so we try and make their experience a pleasant one. We are excited to be awarded this honor again!” states Rich Lutton.

Metro Glass is located at 8804 L Street in Omaha, Nebraska. For more information, visit them on their website at www.metroglassomaha.com
