Remember, the early-bird discount ends tomorrow.

The NWRA is a not-for-profit trade association organized in 1994 to promote the legitimacy of the windshield repair industry. The NWRA provides a forum for the exchange of ideas between its members and provides the public, industry and government with a reliable source of information regarding windshield repair. The NWRA also organizes, at a grass-roots level, campaigns to influence the governmental agencies responsible for establishing regulations for the windshield repair industry.

The NWRA is a part of the Global Glass Conservation Alliance (GGCA). The GGCA is a not-for-profit organization dedicated to reducing the energy impact of glass upon the earth. The GGCA promotes the repair, restoration, reuse and recycling of all types of architectural and automotive glass and the development of technology that helps conserve and reduce the energy impact of glass upon the earth.
