NOVUS® Glass Opens New Location in Gillette, WY

Gillette, WY—The NOVUS Glass Ownership team of Mark Pixley, George Lytton and Vanessa Terrell announces the opening of their new Gillette NOVUS location at 405 E. Lakeway (across from Big O Tire). The new 4,700 plus square foot building allows the NOVUS factory trained team to service multiple vehicles, including Motor Homes, Buses and Semi's in a controlled climate facility. Customers will enjoy a comfortable waiting experience with kid friendly play areas. With the support and dedication of the NOVUS team members, including Shop Foreman Joe Meverden, the new state of the art NOVUS facility quickly came together. Construction started last September and within six months the store was ready to be opened. "We are so excited to share our new facility with the Gillette community," said Pixley. "We appreciate their support and look forward to servicing all their auto glass and accessories needs." Novus Glass has always been a big supporter of local community organizations and events and will continue to do so.

It was 28 years ago that Pixley opened his first NOVUS business in the Gillette and Sheridan area. Pixley sold the Gillette NOVUS in 1986 and after it changed hands several times, he and his two partners purchased it back in the fall of 2006. Since then his NOVUS business has thrived leading to the opening of their newest location in Gillette. As the Manager of the new NOVUS location, Terrell is excited for the opportunity to provide Gillette's community and surrounding area with permanent solutions for their glass service needs. A new mother to 8 month old Laila, Terrell understands how important quality and convenient service is to customers. "We understand that our customers are busy. They are juggling work and family. They have very busy schedules. This is why we at NOVUS

offer free vehicle pick up and delivery, mobile service and after hour appointments. Plus we direct bill and process insurance claims for our customers. We want to make getting a windshield fixed as hassle free as possible,” said Terrell.

The new Gillette NOVUS Glass offers customers auto and truck glass repair and replacement service, windshield wipers and vehicle accessories and custom fleet service programs with special pricing. The store services the counties of Campbell, Crook and Weston and hours of operation are from 8AM-5PM M-F, Saturday by appointment only. For more information on the new NOVUS Glass Gillette location, please contact Vanessa Terrell at 1-307-682-9707.

NOVUS Glass is also located at 347 N. Main in Sheridan. For more information on NOVUS Glass in the Sheridan and Gillette area call Mark or George at (307) 672-0139.

About NOVUS Glass

NOVUS franchises focus on fully satisfying consumers who require windshield repair, automotive glass replacement and other complementary products and services. Since NOVUS invented windshield repair in the early '70s, over 28 million NOVUS repairs have been performed worldwide. A NOVUS windshield repair typically completed in less than 30 minutes and is backed by a lifetime, nationwide guaranty. In addition, most insurance companies will waive a policyholder's deductible when covering a windshield repair. For windshield damage that is too large to be repaired, NOVUS provides full service high quality auto glass replacement services.

NOVUS Glass, the inventor of windshield repair, has a vision to defend and build on its position as the dominant glass and automotive service franchisor worldwide. Headquartered in Minnesota, NOVUS has locations worldwide. NOVUS was ranked in Entrepreneur magazine as No. 1 in windshield repair. Anyone interested in operating a NOVUS Franchise contact Jim Olson (952) 946-0447. To reach the NOVUS corporate office, contact Mary Nelson, Marketing Manager (952) 946-0438.
