

**When It Comes to Glass Handling, Count on Wood's Powr-Grip® Vacuum Cups.**

When it comes to installing windshields and windows in a vehicle, nothing does it quite like the line-up of hand-held vacuum cups from Wood's Powr-Grip. Those in the automotive industry have discovered dozens of applications for Powr-Grip products. The LJ6VH hand-held vacuum cup has a vertical handle and a concave vacuum pad that is ideal for curved or flat window installation. Additionally, the Powr-Grip Handi-Grip vacuum cups feature a choice of vacuum pads and sturdy handles that are ideally shaped for window installations and widely used in the automotive window replacement industry. For more information or to locate a distributor in your area, contact Wood's Powr-Grip Co., Inc. at 800-548-7341 or visit our website at [www.powrgrip.com](http://www.powrgrip.com).
