## **Chips-All-Gone Becomes an NWRD Member**

Chips-All-Gone of Ann Arbor, Michigan has joined the National Windshield Repair Division (NWRD) of the Auto Glass Safety Council (AGSC). NWRD members are committed to quality and safety in performing glass repair and have agreed to follow the industry standards.

Chips-All-Gone has more than 15 years of experience and is dedicated to high-quality repair for all of their customers. The company is also committed to providing a positive experience to both new and returning customers.

"By becoming a member, Chips-All-Gone demonstrates its commitment to the safety of its customers," says Linda Rollinson, NWRD chairperson. "This is an important step for Chips-All-Gone and shows that its staff values providing safe auto glass repairs for customers."

Companies such as Chips-All-Gone demonstrate their ability and willingness to complete repairs in accordance with the industry standards such as the ROLAGS™ Standard, which governs windshield repair.
